We build value in real estate for those we serve by creating innovative, lasting environments and meaningful experiences that connect people and place.

#### **OUR VISION**

Make people the most valuable asset in real estate

#### **OUR CORE VALUES**

- Integrity - Create trust and cohesion by acting with the highest ethical standards.
- Empowerment - Invest in a diverse group of talented and prepared people.
- Relationships - Nurture lasting ties with investors, customers and team members.
- Performance - Achieve optimum success through operating rigor and disciplined investment.
- Innovation - Deliver custom solutions through differentiation and creative problem solving.
- Balanced Lives - Consistently work to balance our lives and contribute positively to our communities.

#### **OUR ACTIVITIES**

- More than \$2 billion of commercial, mixed use and residential project development planned or underway across the U.S.
- Total portfolio of investment, development and management assets valued at \$8.8 billion
- More than \$2.5 billion of investment assets for US pension funds, foundations, endowment, international institutions and high net worth individuals through affiliate, Lowe Enterprises Investors
- More than 17,000 hotel and resort units managed in 95 properties and eight countries by affiliate, Two Roads Hospitality
